### Assessor Inspections

**Update from the Assessor:** Due to the rainy October weather, we were not able to start Fulton as planned. We will start next Spring (2021) with Fulton and continue to do the remainder of the parcels that are outside of town, as in Five Mile Point Road, Cedar Bay area, etc. The information will be posted on Facebook and the Township Website, once we start again in the Spring (2021).

These inspections are being done in order to review and verify the building information that is on the record card for each parcel in the Township. This review is necessary because of the new AMAR reviews that the State is conducting where they are reviewing parcel record card information. When I resume inspections in the Spring of 2021, I will be visiting each parcel that has a building to take a new picture of the structure and to measure the structure for the sketch on the record cards. If you have vacant land, there will be no review.

I will not be inspecting the inside of the structure. The property owner does not need to be home at the time of the inspection. We will be wearing masks when we come to your door to let you know that we are there, to keep social distancing. I do ask that you please tie up or enclose your dog if it is outside so that no one gets bitten during the inspection. Individual appointments cannot be made, since this work will be done when the weather is cooperating, so any given date and time cannot be guaranteed. If you have any questions or concerns, please email me at: [LKARRIO@GMAIL.COM](mailto:LKARRIO@GMAIL.COM) Thank you for your cooperation!

Allouez Township Assessor

**Attention Sewer Billing Customers**

Allouez Township recently received notice from Michigan American Water of their intent to cease sewer billing services for the township, to be effective December 31, 2020. Beginning January 1, 2021, MuniBilling will service our sewer bills. MuniBilling has worked with municipality customers for decades and has the added benefit of giving you the option to pay your bill online or by phone.

**2021 Sanitation Rates and Guidelines**

**Sanitation rates** for 2021 will be as follows: **Yearly \$245; Seasonal \$130; Double \$490.** Garbage is limited to 6 bags per week. Allouez Township contracts with Waste Management for garbage collection. It is an optional service that property owners can choose to opt in or opt out of. Changes in participation status should be made in writing and submitted no later than October 1st for the following calendar year. Special bins or bags are not required for garbage.

Waste Management honors the following holidays:

- New Year's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

If your garbage pick-up day happens to fall on one of the above holidays, pickup will be delayed one day. If the holiday falls on the weekend, there is no disruption of service.

Please note: Waste Management pulls their trucks in times of bad weather. When they do so, garbage collection will be delayed. When this occurs Waste Management will typically let local radio stations know and we will post a notice on our website and our Facebook page.
